

REZA NAVABI

REZA NAVABI

About the Artist

Reza arrived at his present style of impressionism and realism after years of abstract painting in Europe.

After finishing his study in architecture, Reza pursued his true love: painting – a gift that started from childhood and matured through the years.

He has had numerous gallery showings throughout Europe and Canada and his originals and published art has been distributed across the world.

Au Sujet de l'Artist

Reza a développé son style actuel d'impressionisme et de réalisme après plusieurs années à peindre des œuvres abstraites en Europe. Après ses études d'architecture, Reza a poursuivi son véritable amour : la peinture - un cadeau qui a débuté dès l'enfance et qui a mûri au cours des années. Il a participé à de nombreuses expositions dans des galeries à travers l'Europe et le Canada et ses reproductions et ses originaux ont été distribués à travers le monde.
